

The Rhine Valley

In the heart of the Rhine Gorge, Boppard has a premier location right on the banks of the river. In all directions are historic towns, steep vine clad hills and castles which cling to the mountain tops. With the Mosel nearby, this is a super coach touring destination.

We offer a choice of hotels in Boppard. Both are centrally located, overlooking the Rhine.

Hotel Ebertor

Hotel Ebertor, Boppard

Our opinion: A 3 star superior hotel with an excellent riverside location in the centre of Boppard.

Guest bedrooms are all comfortable with the traditional Classic rooms set around a courtyard and the New Comfort rooms newly completed in 2009 (our price is based on Classic rooms). As well as a pleasant dining room the hotel has a river view terrace, bar, 700 year old wine cellar and new wellness centre (small local charge applies). The lift does not serve all floors but the hotel does have ground floor bedrooms.
